5. **Notice to be Given** – To amend By-Law #52, Sewer Service Charge By-Law in order to amend the following:
 - Change the method of billing for sewer services so that sewer billings are based on real-time water billings rather than calculated based on the prior year's water billings.
 - Make provisions for metered sewer connections for institutional, commercial or industrial (ICI) customers with water consumption that varies significantly from sewage discharge volumes
 - Provide for a mechanism to adjust a sewer bill in certain instances where a customer's water consumption is unusually high due to a water leak or other unusual activity.
 - Combine the four sewer systems into a single sewer system (similar to the Richmond Water Utility) to allow for a single sewer ratio among all four sewer systems.
