

PUBLIC MEETING

MARCH 7, 2002

Location: Arichat Parish Hall

Warden Cotton called the meeting to order 7:05 p.m., and summarized the new municipal initiatives.

Warden Cotton noted that there was only one individual from the public present, and he invited Lorenzo Boudreau to address the meeting.

Mr. Boudreau indicated that he felt that Richmond County needed more apartment buildings for senior citizens, perhaps similar to the seniors buildings that are currently owned by governments.

Warden Cotton thanked Mr. Boudreau for his comments, and adjourned the meeting at 7:15 p.m.
