

# VOLUNTEER OF THE MONTH

**MAY 2021**

## SUSAN MARCHAND-TERRIO

“Susan has volunteered with several societies and non-profits. Her love of local history has led her to be a Director and Administrator of the Isle Madame Historical Society. She has consistently and faithfully been a leader in the organization’s efforts to upkeep the LeNoir Landing and educate the public about local history and genealogy.”  
**Thank you Susan for the important work you do in your community and our county!**
