Management's responsibility for financial reporting

The accompanying consolidated financial statements of the [Municipality of the County of Richmond](#) are the responsibility of management and have been approved by the Warden and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The Municipality maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable, and accurate, and the Municipality's assets are appropriately accounted for and adequately safeguarded.

The Municipal Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The consolidated financial statements have been audited by Grant Thornton LLP in accordance with Canadian generally accepted auditing standards on behalf of the Council. Grant Thornton LLP has full and free access to management and Council.

The Warden and Council of the Municipality of the County of Richmond

Opinion

We have audited the consolidated financial statements of Municipality of the County of Richmond ("the Entity") on pages 4-27, which comprise the consolidated statement of financial position as at March 31, 2020, and the consolidated statements of operations, change in net debt and cash flow for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Municipality of the County of Richmond as at March 31, 2020, and its results of operations, its changes in its net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matters – Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The supplementary information included on pages 28-33 is presented for purposes of additional information and is not a required part of the consolidated financial statements. Such supplementary information has been subjected to the auditing procedures applied, only to the extent necessary to express an opinion on the audit of the consolidated financial statements as a whole.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to a going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Entity and the organizations it controls to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Municipality of the County of Richmond

Notes to the consolidated financial statements

March 31, 2020

1. Summary of significant accounting policies

Principles and basis of consolidation

The consolidated financial statements of the Municipality of the County of Richmond (the "Municipality") are prepared by management in accordance with generally accepted accounting principles for local governments, as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants (CPA) Canada.

Significant aspects of the accounting policies adopted by the Municipality are as follows:

Reporting entity

The consolidated financial statements reflect the assets, liabilities, revenues, expenses and changes in fund balances and in financial position of the reporting entity. The reporting entity is comprised of all organizations and enterprises accountable for the administration of their affairs and resources to the Municipality and which are owned or controlled by the Municipality. These include the Municipality of the County of Richmond, Municipality of the County of Richmond Water Utility, Richmond County – Port Hawkesbury Joint Development Commission, Richmond Housing Corporation and its 50% share in Landrie Lake Water Utility.

Interdepartmental and organizational transactions and balances are eliminated.

Basis of accounting

The basis of accounting followed in the consolidated financial statement presentation includes revenues in the period in which the transactions or events occurred that gave rise to the revenues and expenses in the period the goods and services are acquired and a liability is incurred or transfers are due.

Fund accounting

Funds within the consolidated financial statements consist of the operating, capital and reserve funds for general operations, the water utility, Richmond County – Port Hawkesbury Joint Development, Richmond Housing Corporation and a 50% proportionate consolidation of the funds of the government partnership held in Landrie Lake Water Utility.

Use of estimates

The preparation of consolidated financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue recognition

All non-government contributions or grant revenues that are externally restricted such that they must be used for a specified purpose are recognized as revenue in the period in which the resources are used for the purpose or purposes specified. Any externally restricted inflow received before the criterion has been met is reported as a liability until the resources are used for the purpose or purposes specified.

Unrestricted revenue is recognized when received or receivable if the amount to be received can be reasonably estimated and ultimate collection is reasonably assured.

Municipality of the County of Richmond

Notes to the consolidated financial statements

March 31, 2020

1. Summary of significant accounting policies (continued)

Government transfers

Government transfers received are recognized in the consolidated financial statements as revenue when the transfers are authorized and all eligibility criteria have been met except when there is a stipulation that gives rise to an obligation that meets the definition of a liability. In that case, the transfer is recorded as a liability and recognized as revenue as the stipulations are met.

Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the annual surplus, provides the consolidated change in net debt for the year.

Tangible capital assets

Tangible capital assets are recorded at cost less accumulated amortization and impairment, which includes costs that are directly attributable to the acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital asset is amortized using the following rates and bases:

Buildings and structures	1%, straight line, 2.5% - 4%, declining balance
Equipment	
Pumping and purification	1%, straight line
Machinery	10%, declining balance
Water delivery lines	1%-1.3%, straight line
Meters and hydrants	1%-1.3%, straight line
Furniture and fixtures	20%, declining balance
Sidewalks	4%, declining balance
Vehicles	30%, declining balance
Construction and debris (C&D) cells	10 years straight line
Computer	30%, declining balance
Water Utility Plant	5-75 years

Assets under construction are not amortized until the asset is available for productive use.

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and are also recorded as revenue.

When conditions indicate that a tangible capital asset no longer contributes to the Municipality's ability to provide goods and services, or that the value of future economic benefits associated with the tangible capital asset is less than its net book value, the cost of the tangible capital asset is reduced to reflect the decline in the asset's value. The net write-downs of tangible capital assets are accounted for as expenses in the statement of operations and such write-downs are not reversed.

Segment information

The Municipality of the County of Richmond is a diversified entity that provides a wide range of services to its residents. For management reporting purposes, the Municipality's operations and activities are organized and reported by fund. This presentation is in accordance with the provincial Financial Reporting and Accounting Manual, and was created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations. Municipality services are provided by departments and their activity is reported in these funds. The services provided by these departments are as follows:

General government services

This segment is responsible for the overall local government administration. Its tasks include direction for Municipal services, such as planning, engineering, finance, and information technology in adherence to the Municipal Government Act.

Protective services

This segment is primarily responsible for contracted policing, fire protection and bylaw administration for its residents.

Transportation services

The Municipality is responsible for the maintenance of certain local roads, sidewalks and street lights within its jurisdiction.

Health and development services

This segment is responsible for the maintenance and operations of waste and sewer services provided to residents and other customers. Its tasks include the provision of waste collection through contract and recycling.

Housing corporation operations

This segment represents the expenses incurred by the Richmond Housing Corporation.

Recreation and cultural services

This segment is responsible for promoting and offering recreation opportunities and activities to the Municipality's residents, specializing in maintaining and assisting recreational facilities within the Municipality such as the arena and the library.

Water treatment and distribution

This segment manages water treatment and distribution facilities and services within the Municipality and includes activities such as plant operation and pumping, water treatment, transmission and distribution.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks and funds held in internally restricted accounts. Refer to Note 2.

Budget figures

The budget figures contained in these consolidated financial statements were approved by Council on June 3, 2019 in its original fiscal plan; they also include budgets prepared and approved by controlled entities and are adjusted for amortization in accordance with Public Sector requirements. Note 16 outlines the original fiscal plan and the adjustments made to come to the budget figures shown in these consolidated financial statements.

Municipality of the County of Richmond

Notes to the consolidated financial statements

1. Summary of significant accounting policies (continued)

Financial instruments

The Municipality's financial instruments consist of cash and cash equivalents, receivables, bank indebtedness, payables and accruals, retirement benefits, sick leave benefit liability, other liabilities, and long term debt and are carried at cost which approximates their fair value.

Deferred revenue

Deferred revenue relating to operations is recognized as related expenses occur.

Deferred revenue relating to capital projects is recognized in the period that the resources are used for the specified purposes outlined in its agreement and as the Municipality discharges its obligations, in accordance with the terms and conditions of the agreement.

Deferred gas tax funding (if applicable) and other deferred revenue will be recognized in the period in which the resources are used for the purposes specified.

Contaminated sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability would be recorded net of any expected recoveries. A liability for remediation of contaminated sites would be recognized when the following criteria are met.

- i. an environmental standard exists;
- ii. contamination exceeds the environmental standard;
- iii. the Municipality of the County of Richmond is directly responsible; or accepts responsibility; and
- iv. a reasonable estimate of the amount can be made.

As of March 31, 2020, there are no known contaminated sites identified.

8. Contributions to boards and commissions

The Municipality is required to finance the operations of various boards and commissions, along with the other local municipal units, to the extent of its participation based on assessment, population, or prescribed formulae.

In addition to any budgeted contributions, the municipal units share in the deficits or surpluses of these boards based on their sharing percentages. A municipal unit's share of any deficit must be paid in the next fiscal year while a surplus may be taken into the next year's estimates. Alternatively, the Municipality may provide for its share of the surplus or deficit in the current year.

Details of contributions to these boards and commissions are as follows:

	<u>2020</u>	<u>2019</u>
Cape Breton Island Housing Authority	\$ 75,149	\$ 78,178
Eastern Counties Regional Library	\$ 62,379	\$ 65,002
Eastern District Planning Commission	\$ 178,428	\$ 176,488

The Municipality has no further financial obligations in connection with the operating results of the above-mentioned entities for the year ended March 31, 2020.

9. Schools

On January 1, 1982, the Municipality of the County of Richmond joined with the Town of Port Hawkesbury to form the Richmond District School Board. Under the agreement, all school buildings on hand at December 31, 1981, will remain assets of the Municipality but will be under the operational control of the District School Board, now operating as part of the Straight Regional Centre for Education, until such time as the Board no longer requires the asset for school purposes. At that time, control will revert back to the Municipality.

10. Commitments and contingencies

Pension costs and obligations

During the year the Municipality contributed to the registered pension plan for full time employees to a maximum of 9% of each employee's gross pay. Total contributions during the period by the Municipality were \$93,252 (2019 - \$90,387).

Contingencies

There are claims and litigation in which the Municipality is involved that arise out of the ordinary course of operations. The outcome of these actions is not determinable as at the date of reporting. Management believes that any liability which may result from the resolution of these actions will not be material to the Municipality's financial position.

Municipality of the County of Richmond

Notes to the consolidated financial statements

11. Retirement benefits

The Municipality has a policy to pay a retirement benefit to employees upon retirement or termination due to disability, or to the employee's estate in the case of death, for employees who have been employed with the Municipality for at least ten years. The benefit is graduated based on years of service. Included in retirement benefits payable is \$86,099 (2019 - \$78,682) related to these benefits.

Richmond Housing Corporation participates in a multi-employer defined benefit pension plan for certain health care employees, which is administered by the Nova Scotia Association of Health Organizations ("NSAHO"). This plan to which contributions totalled is accounted for as a defined contribution plan. For earnings up to the yearly maximum pensionable earnings (YMPE) the corporation contributes 9.22% of gross wages to a registered pension plan which requires contributions of 7.82% from employees. Once earnings exceed YMPE, the corporation contributes 11.58% and the employees contribute 10.18%. During the year, the corporation paid contributions of \$356,182 (2019 - \$354,034) to the benefit plan.

12. Loans and advances, employees, and elected officials

Municipal Council has approved a computer purchase program which is available to all elected officials and full time employees. The Municipality provides a three year interest free loan up to a maximum of \$4,000 per employee or elected official towards the purchase of a personal computer. The amount outstanding of \$5,766 as at March 31, 2020, which represents the cost of computers acquired less any repayments to date, is included in the total receivables of the Municipality.

13. Other

Total remuneration paid to elected and senior appointed officials of the Municipality are as follows:

<u>Official</u>	<u>Position</u>	<u>Remuneration</u>	<u>Expenses</u>

14. Pension plan

Defined benefit plan

The Municipality operates a defined benefit pension plan, which provides benefits to employees upon retirement. The most recent actuarial valuation was at December 31, 2019. On a going-concern basis, the actual going concern unfunded actuarial liability as at December 31, 2019 was \$2,474,600. The next actuarial valuation will be completed as at December 31, 2022.

The assumptions and methods used in the valuation, as selected by management following consultation with the Municipality's Actuary, conform to the requirements of PS 3250. The market value of assets as at March 31, 2020 is based on the March 31, 2020 investment reports for the purpose of this valuation, the projected benefit prorated on service valuation method was used as at December 31, 2019 and was then projected forward to the valuation date of March 31, 2020.
