1. Nature of operations

The Commission is incorporated under the Richmond County - Port Hawkesbury Joint Development Commission Act of the Province of Nova Scotia. The object and purpose of the Commission is to establish, develop, manage, and promote an industrial park, which is in the Municipality of the County of Richmond and immediately adjacent to the Town of Port Hawkesbury.

2. Significant accounting policy

Capital assets

Capital assets are recorded at cost. Funds received through capital assistance programs and cost sharing arrangements are treated as additions to investment in capital assets.

3. Operations

All operating expenditures are funded equally by the Town of Port Hawkesbury and the Municipality of the County of Richmond.

During 2000, the Town of Port Hawkesbury and the Municipality of the County of Richmond transferred separate parcels of land to the Commission with a total value of \$298,574. The cost of this land was funded equally by each party. It is the intention of the Commission to sell serviced lots and attract commercial development within the industrial park.
