Instructions

1. Print off as many sheets as needed for everyone to play, one 6 sided die and a pile of tokens, cut up paper squares, coins or anything to cover squares.
2. The youngest player will go first, and then play in a clockwise direction.
3. Roll the die twice, using the guide numbers to identify the question.
4. If you get the question right, then place a token on the square.
5. The winner is the first person to get a straight line, or any shape you agree on.
6. If the answer is wrong, "I don't know" or "No", then talk about the answer or doing the activity.
7. Have fun and be safe.
