

Committee of the Whole Report October 2023

The Committee met on October 10th, 2023.

The Committee discussed the Acting Collectively Project.

I move that Council accept the recommendation from the Committee of the Whole to have Council provide the Acting Collectively project team direction on what the best options are for presenting the Richmond County project findings.

The Committee discussed the Zone 3 curbside collection tender.

I move that Council accept the recommendation from the Committee of the Whole to authorize staff to exceed budget in order to proceed with award of the Zone 3 curbside tender to the lowest priced bidder.

The Committee discussed the new rules for off-highway vehicles.

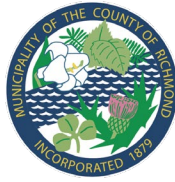

I move that Council accept the recommendation from the Committee of the Whole to have staff begin looking into the next steps for the Municipality to develop a plan of action and FURTHER MOVE that staff reach out the ATV Association of Nova Scotia, and place the New Rules for Off-Highway Vehicles on the agenda for discussion at the next Police Advisory board meeting.

The Committee discussed the invitation for Bell Canada to Appear before Council.

I move that Council accept the recommendation from the Committee of the Whole to have staff invite a Bell Aliant representative to appear before Council at a future date to discuss the lack of coverage throughout many areas of the county.

The Committee discussed the Nova Scotia Utility Review Board Order.

I move that Council accept the recommendation from the Committee of the Whole to have the Warden draft a press release regarding the Nova Scotia Utility Review Board Order, confirming the number of Councillors and polling districts.

The Committee discussed the Wastewater Management District Funds.

I move that Council accept the recommendation from the Committee of the Whole to have staff explore the feasibility and sustainability of perusing the Wastewater Management District funding program and report back to council.

The Committee discussed the deer population in Richmond County.

I move that Council accept the recommendation from the Committee of the Whole to have staff contact the Department of Natural Resources and Renewables to inquire about what program(s) are in place to manage the deer population in Richmond County and report back to council.

The Committee discussed the recommendation from the “In-Camera” session regarding the Municipality of the County of Richmond Organizational Chart.

I move that Council accept the recommendation from the Committee of the Whole to adjust the organizational chart as presented including the position classifications.

This concludes the Committee of the Whole Report for the month of October 2023 and I move its adoption.
