The Committee met on November 14th, 2023.

The Committee discussed the Municipality of the County of Richmond Municipal Planning Strategy and Land Use By-law

I move that the Planning Advisory/ Heritage committee forward the proposed Municipality of the County of Richmond Municipal Planning Strategy and Land Use By-Law to Council and recommend the adoption of the documents while simultaneously repealing the former Municipal Planning Strategy and Land Use By-Law Addressing the Development of Wind Energy, the Sporting Mountain and Shannon Lake Plan area documents with the following amendments:

- a) Zoning map in Louisdale to follow the current extent of servicing.
- b) Clarify that small accessory buildings do not need a development permit and FURTHER MOVE that Council give First Reading and schedule a Public Hearing.

This concludes the monthly report of the Planning Advisory/Heritage Committee for the month of November 2023, and I move its adoption.
