Re: IT Procurement Expenditure Request 0009

The following gives a description of the expenditures related to the attached request. If all is in order, please sign the attached in the space indicated "Authorization" and return to me for further processing.

Request Type:

The request is not from a preferred approved vendor. These items must be purchased direct from the manufacturer, Prime Cables. No item in this request exceeds \$1500 CDN, so a PO is not required. This is an infrequent vendor, and the purchase is requested as a credit charge. The expense is requested as ITPER0009.

Value:

\$1352.55 CDN pre-tax. \$1555.43 CDN with estimated taxes.

Vendor:

Prime Cables

Description of Expenditure:

This request is for Cat 6 network cable. A 1000' roll for each unshielded, shielded, and outdoor rated. In addition, surface mount boxes will be required to terminate cable runs made to certain areas. 6" patch cables are required for connecting the patch panels to the switches and other devices in the racks.

Purchasing Policy Comments:

This purchase is direct through Prime Cables. Prime Cables only sells these items direct and so no other quotes were solicited.

Re: IT Procurement Expenditure Request 0002

The following gives a description of the expenditures related to the attached request. If all is in order, please sign the attached in the space indicated "Authorization" and return to me for further processing.

Request Type:

The request is not from a preferred approved vendor. Each individual item in this request is \$1470 CDN pre-tax, therefore a PO is required as each item is over \$1500 CDN after tax. This is a non-frequent vendor, and final payment is requested to be done on credit card. The expense is requested as ITPER0002. *m PO # IT001*

Value:

\$4410 CDN pre-tax.

Vendor:

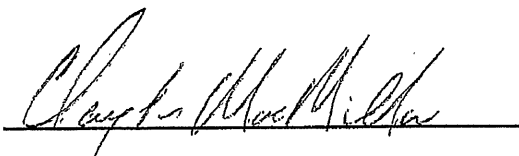

Ubiquiti Networks Canada

Description of Expenditure:

Three 48-port managed switches with Power-Over-Ethernet (POE) to replace the existing un-managed switches. These will be controlled by the UniFi controller allowing for a cleaner installation and easier network administration.

Purchasing Policy Comments:

Pricing was solicited from four vendors. Quote 1 from CDW (via Canoe Procurement Group), Quote 2 from Ubiquiti Networks, Quote 3 from Deploy Depot, and Quote 4 from Amazon are appended. While a preferred vendor, CDW pricing was \$1763.99 per switch. Ubiquiti Networks, the direct manufacture of the switches came in with the lowest price of \$1470.00 per switch. Deploy Depot was \$1567.99, and Amazon, which is via Ubiquiti Networks was \$1485.00. Purchasing direct from the manufacturer for the lowest price was selected as the vendor of choice.

Re: IT Procurement Expenditure Request 0014

The following gives a description of the expenditures related to the attached request. If all is in order, please sign the attached in the space indicated "Authorization" and return to me for further processing.

Request Type:

The request is not from a preferred approved vendor. The request is for monitor arms from Amazon. One is a desk mount and the other three are wall-mounts. The wall mounts are VIVO HD at \$134.99 CDN pre-tax and the desk-mount is \$177.99 CDN pre-tax. The expense is requested as ITPER0014.

Value:

\$669.27 CDN including estimated taxes for the three arms.

Vendor:

Amazon Canada

Description of Expenditure:

This request is for monitor arms. One monitor arm is required in the council chambers for the clerk to have a separate monitor from the laptop. This provides the clerk with another screen for sharing, as the mount allows the monitor to swivel, as well as the ability to keep one screen private for working. The other two mounts are for the front desk at the main office so the administrators can have a second screen and also swivel it to show customers things like receipts, invoices, etc. without having to show their laptop. The other wall-mount is for the console monitor in the IT room that is going to be placed next to the racks.

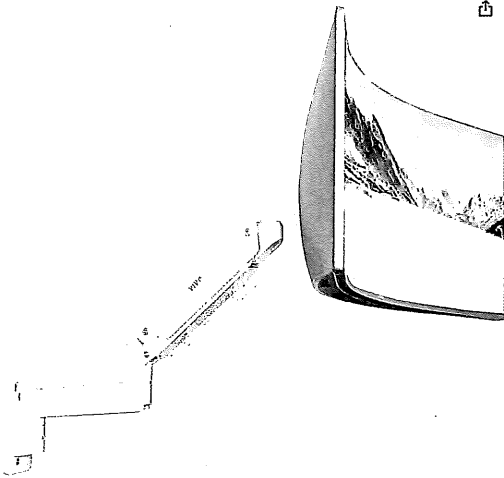

Purchasing Policy Comments:

This purchase is only available through Amazon for the Amazon branded monitor arm. The VIVO arms are available direct from VIVO and Newegg but only via the US. Since both items can be purchased via amazon and for relatively the same price and without currency conversion, Amazon is selected as the preferred vendor. All quotes are appended.

INTERNAL MEMO

To: CAO of The Municipality of the County of Richmond

From: Clayton MacMillan

Date: November 20, 2023

Re: IT Procurement Expenditure Request 0015

The following gives a description of the expenditures related to the attached request. If all is in order, please sign the attached in the space indicated "Authorization" and return to me for further processing.

Request Type:

The request is not from a preferred approved vendor. The request is for 27" monitors direct from Dell Canada. Since this is an infrequent vendor, it is requested as a credit card charge. The expense is requested as ITPER0015.

Value:

\$1011.95 CDN including estimated taxes for four monitors.

Vendor:

Dell Canada

Description of Expenditure:

This request is for four 27" monitors. One is required for the clerk in council chambers. Two are required for the administrators at the front offices. One is required for the console in the IT room. All these monitors will be mounted on monitor arms.

Purchasing Policy Comments:

Three quotes were solicited for these monitors. The first from Dell Canada was the cheapest at \$219 CDN for each. The second and third were from CDW and Staples, both preferred vendors via Canoe, however the price was cheaper with Dell. All quotes are appended.

GST/HST registration number: 80604 1802 RT9999

On July 1, 2021, an amendment of the Sales Tax Act in Canada came into effect. As of that date, companies based in other countries than Canada that sell digital products and services to consumers located in Canada are required to register for GST/HST and to charge GST/HST. Due to this change of law, starting July 1, 2021, we registered for GST/HST purposes and are now required to charge GST/HST and to declare and pay it to the Canada Revenue Agency.

The total amount due will be charged to your credit card within the next seven days, most likely in the next day or two. Thank you.
