

**RICHMOND COUNTY MUNICIPAL COUNCIL**

**REGULAR MEETING**

**MARCH 8, 2004**

Location: Court House, Arichat

Councillor Goyetche was chosen to chair the meeting, due to the absence of the Warden and Deputy Warden.

Councillor Goyetche called the meeting to order, but indicated that because of the lack of a quorum, the meeting could not be held.

The CAO indicated that two groups were in attendance, who were scheduled to make presentations, and the Councillors present agreed to hear the following presentations:

- (1) Cape Breton Regional Municipality re: Governance and Economic Development in Cape Breton (Mayor Morgan, Deputy Mayor MacLeod, CAO Ryan, Clerk White, Planning Director Foster, Economic Development Manager Whalley)
- (2) CDENE re: Projects Update (Yvon Samson, Trudy Samson, Ghislain Saulnier)

The groups made their presentations, followed by a question and answer period.

Councillor Goyetche then thanked the groups for attending.
