

Richmond Arena is centrally located in Richmond County and is the home to numerous organizations and teams such as the Richmond Skating Club, Strait Richmond Minor Hockey and junior high/high school hockey teams. There is also a 7-team Gentlemen's Hockey League and a Senior's Hockey Group that are regulars each and every week. These groups host multiple yearly tournaments and special events at Richmond Arena, which bring in tens of thousands of visitors from all over the county, province and maritimes every year!

The Municipality of the County of Richmond's Recreation Department also offers public skates, senior skates, after school skates, parent and tot skates and birthday parties during the winter season (which runs from October to April). Once the ice season has ended, the Recreation Department utilizes the space for various recreation opportunities in the Spring and/or Summer such as ball hockey, dry-land training, etc.

This means that unlike many other arenas, your advertising will be working all year long!
