Warden's Message

Some years we have a real yearning for spring, especially after long dreary winters involving lots of ice and freezing rain. This year has certainly been different! "Snow Mondays" resulted in travel delays and school cancellations, but the snow provided for an old-fashioned winter where kids got outside, snow men came to life, and ATV runs were wildly successful. Many thanks to the volunteers who maintain our trail system, giving residents an opportunity to enjoy the outdoors and helping to grow our region as a tourist destination in the off-season.

Spring also means a plethora of committee meetings that bring volunteers together as they plan a full slate of summer events and festivals. Residents and visitors alike look forward to the return of festival season, with long-time favourites returning, and new events and activities joining the line-up. These events don't happen on their own. They happen because of dedicated volunteers who give their time and energy to bring people together.

Council has also been busy. We continue to review and update our policies, procedures, and bylaws to make sure they reflect today's needs. We're especially busy on the housing file. This year we put a piece of municipal property out to tender to secure additional housing in Richmond County. At the same time, our Planning Advisory/Heritage Committee is reviewing our Land Use

Bylaws to encourage development. Stay tuned for community engagements on that front. We've also secured provincial funding to host public sessions on coastal protection. These discussions will focus on what changes may mean for residents, property owners, and future land-use planning decisions.

After much discussion, Council has approved funding for much-needed repairs to the Richmond Arena. These repairs are planned for the off-season to help ensure the arena remains available for the programs and activities residents rely on. We are also actively seeking both public and private funding to help offset the cost of this work.

Emergency Planning continues to be top of mind. We're participating in provincial discussions on fire service modernization and on policing recommendations stemming from the Mass Casualty Commission's final report. Locally, we are encouraging residents to sign up for Voyent Alert, our communication system for emergency notifications and important updates on water advisories, planned maintenance, and recreation programs. It's a simple way to stay informed and to choose the types of updates you want to receive. You'll find more details about Voyent in this edition of Richmond Reflections.

Here's to a smooth transition from winter to spring as we start to see longer days, blooming flowers, and warmer weather!

Strength & Stretch – Move, Breathe, Restore

Strength & Stretch is a movement class designed for those who do it all—but rarely take time for themselves. This gentle and low-impact class helps release everyday tension, improve mobility, and reset the body and mind. Using mindful breathwork, controlled movements, and functional stretches, we'll focus on building strength, balance, flexibility, and stamina. No high intensity, no complicated choreography—just space to slow down and reconnect with yourself. Light resistance and/or bodyweight movements are used to support joint health and improve posture. Perfect for anyone who spends long hours sitting, juggling family life, or feels the physical effects of stress and fatigue.

Slow Flow Yoga

Slow Flow Yoga is an accessible style of flow class designed to connect breath with movement, helping to cultivate a sense of calm and balance. In this class, we'll move through a series of poses at a slower pace, allowing for deeper exploration of each posture. The focus is on alignment, as well as improving mobility, strength, and balance. Whether you're new to yoga or looking to deepen your practice, this class offers a welcoming space to unwind, release tension, and enhance both physical and mental well-being. While lots of options will be given to make this class accessible, the nature of a flow class will be kept including standing sequences and movement from the floor to standing. A great opportunity to build strength and mobility.

Scottish Country Dancing (All ages)

Richmond MacAdian Ceilidh Dancers Sociable invites all ages for an enjoyable afternoon of Scottish Country Dancing.

Dancers are normally grouped in sets, typically three, four or five that are arranged either in two lines (partners facing each other) or in a square. They work together to dance a short sequence of formations that provide a particular dance with its identity. The originality of the formations ensures each couple gets the chance to experience the dance from different positions. Scottish Country Dancers mainly dance for pleasure, finding the shared experience of dance both physically and mentally enjoyable. A soft shoe or slipper works best.

Chair Yoga

Chair Yoga is a great way for older adults to get the wonderful health benefits of yoga. It also makes yoga accessible to more people. Staying seated while doing yoga means that even frail seniors or those who aren't flexible can safely do the exercises. The benefits of chair yoga for older adults include loosening and stretching painful muscles, reducing chronic pain, decreasing stress, and improving circulation. It also reduces anxiety, helps lower blood pressure, protects joints, and builds strength and balance.

PLAYBINS

Looking for a fun way to spend a day outside? Our PlayBins are treasure chests filled with games, recreation equipment, fun activities and so much more. These are shared PlayBins - other community members may be using the equipment at the same time. Be courteous of fellow PlayBin users and visitors. PlayBin locations may change throughout the year, based on community needs and interests. We ask that users place all equipment back in the PlayBin when they are all played out and secure the lid of the bin.

Let us know if a bin needs attention 902.226.0663 or recreation@richmondcounty.ca. PlayBins are used at your own risk. Please be sure to play safe and have FUN!

Each PlayBin is filled with a collection of equipment (sports equipment, lawn games, jump ropes, and seasonal play items). All equipment is FREE to use.

PlayBin locations

- Little Anse Samson's Cove Social Action Centre Playground
4114 Highway 206, Little Anse
- Our Lady of Assumption Hall Upper Parking Lot (basketball net)
Highway 206, Arichat
- River Bourgeois Community Playground
21 Recreation Rd, River Bourgeois

EQUIPMENT LOAN PROGRAM

Recreation equipment loan programs are here to stay as our recreation services continue to build inventory varying from fishing rods and lawn games to larger equipment pieces like portable basketball nets, road hockey nets, ping pong tables, Mobi beach chairs and more! If there is a piece of equipment that you would enjoy, simply reach out to the recreation department at recreation@richmondcounty.ca or phone 902.226.0663 to learn more about how to reserve equipment and ask about the various equipment loan pick up and drop off locations.

Program/event dates, times and locations are subject to change.

To register visit <https://www.richmondcounty.ca/recreation-program-registration.html> or call 902.226.0663.

Removing Financial Barriers. Jumpstart’s Individual Child Grant program provides financial assistance to help children from low-income families participate in sport-focused activities. Grants cover eligible registration and equipment costs of up to \$300 per year, per child. Please see below for more information on grant eligibility and the application process.

Individual Child Grants may no longer be available in some Chapters where Jumpstart is able to invest in local community-run programs and initiatives. Please see the FAQ page for more information about this change. The Individual Child Grant program is now open for 2026.

Eligibility Financial Requirements

To be eligible for funding for one or more children, families must first meet specific financial criteria as per Revenue Canada’s Low-Income Cut-Offs (LICO) chart. Jumpstart uses the furthest column to the right of the chart for eligibility.

Children must fall between the ages of 4 - 18 years old. Funding is allocated to sustained programs that involve a sport or physical activity.

Programs should be a minimum of five weeks in duration and include at least one session per week. In the case of sports camps, the program must last at least five consecutive days for consideration.

Applications

Individual Child Grant applications may no longer be accepted at your local Chapter. To confirm whether your local Chapter is still accepting applications, please register/log in and refer to your Jumpstart account before starting the application process.

- It is recommended that applications be submitted prior to the program start date. Applications submitted where the program has concluded will not be reviewed.
- Applications must include proof of financial need. A clear, legible, and most current copy of your Canada Child Benefit statement will be required as proof of need including the following information: Parent Name, Family Net Income, Marital Status, Child First Names.
- Under exceptional circumstances (e.g., recent immigrants to Canada, individuals fleeing spousal abuse, etc.) alternative confirmation of eligibility will be accepted on a case-by-case basis.
- The maximum amount of funding per application is \$300
- All applications are reviewed by Jumpstart staff members and are subject to local demand and funding availability.
- Cheques are made payable to the service organization, identified as the “payee” in the application. A payee can be a local hockey association, gymnastics club, etc., that coordinates the sports or physical activity on behalf of the qualifying youth/child.
- Payees must be registered with Jumpstart and approved as a payee before funding is issued. Please note that Jumpstart is not currently accepting new payee registrations.
- If you require additional support, please email jumpstart@cantire.com.

KidSport provides grants to kids (18 years old or younger) from families facing financial barriers so they can participate in registered sport programs and experience the lifelong benefits of a season of sport. KidSport Nova Scotia provides grants of up to \$500 per eligible kid, per year (January 1st - December 31st) towards sport registration and equipment fees.

If the child needs equipment, we will provide a voucher so you can get the right gear from our equipment partner Cleve’s Source for Sports. Grants are intended to be used for sport registration and equipment fees; travel and competition fees are not eligible for funding.

Eligibility Requirements

KidSport Nova Scotia uses a Notice of Assessment, an endorsement from the Department of Community Services or an endorsement from Indigenous Social Development to determine financial eligibility for grants. If you are unsure of your eligibility to receive a grant, please reach out to kidsport@sportnovascotia.ca.

If applying with a Notice of Assessment (one for each parent/guardian in the household) please ensure your total income (Line 15000) does not exceed the cut-offs listed below for your family size:

- * 2 person family - \$38,922
- * 3 person family - \$47,851
- * 4 person family - \$58,096
- * 5 person family - \$65,892
- * 6 person family - \$74,315
- * 7 person family - \$82,739

How to Apply

- 1) Find a sport program your kid would like to join and sign up. Let the program’s administrators know you will be applying for KidSport funding. To view a list of eligible sport programs go to <https://kidsportcanada.ca/nova-scotia/provincial-fund/>
- 2) Find your local KidSport Nova Scotia Chapter, or if you are unsure you may apply through the provincial fund.
- 3) Apply online or use the paper application form - be sure to complete all sections of the application, as incomplete applications take much longer to process, and can cause delays in receiving your grant. Completed application will be processed within 30 days of the deadline you’re applying for.
- 4) If you qualify for KidSport funding, the grant will be sent directly to the sport program your kid has signed up for. You will also receive a notice payment has been sent out by email or mail within 30 days from the deadline you applied for. If you qualified for equipment funding your voucher will be included with your status letter.

Nova Scotia Walk Day celebrates how walking connects us to our communities—and to each other. It’s a chance to come together and celebrate walkable, welcoming places for everyone! Join Recreation Staff at the following trails/tracks. Let’s connect with our communities—one step at a time.

5.75 km on Oban Road and 0.7 km on Pepperell Street connecting Trail 64 to amenities.

NOVA SCOTIA'S ROAD TRAILS ACT

Clearing Misconceptions Around the Legislation

WHAT IT IS

- Allows OHV riders access to DESIGNATED parts of APPROVED roadways to allow connectivity between trails and/or access to amenities.
- Riders may only travel on the shoulder of the road on the same side and direction as traffic. Only if the road has no shoulder can operators drive on the roadway.
- The ACT only allows riders to travel 30-minutes before sunrise until 30 minutes after sunset at a maximum of 25km/hr.
- The operator must hold a valid driver's license, proof of insurance and registration.

WHAT IT'S NOT

- Does NOT permit OHV riders the right to travel anywhere at any time on public highways or on the shoulder of the road.
- Operators may NOT ride in the middle of the road where a shoulder is available and ignore the direction of traffic.
- NO riding at night or speeding is permitted on road trails.
- Riders are NOT permitted to pass on road trails and must travel in single.
- The act does NOT permit operators to ignore the rules of the road, including equipment requirements, licensing, registration, and insurance.

Next Billing date:

Next Due date:

Please allow three business days for processing.

Tax Payment Methods

Tax payments may be made at the Municipal Tax Office located at 2357 Highway 206, in Arichat, by presenting your tax bill to the Tax Clerk. The office is open Monday through Friday between 8:30 am and 4:00 pm.

The Municipality offers Debit Card payments.

PLEASE NOTE: VISA, Mastercard, American Express, etc. are NOT accepted.

Online and telephone banking are other alternatives for paying property tax bills through most financial institutions.

Your payment can also be made by mail. Please send your cheque or money order to:

Municipality of the County of Richmond - Tax Office,
P.O. Box 120,
Arichat, NS,
B0E 1A0

Please remember to enclose the remittance stub of your tax bill with your payment and indicate your property account number(s) on your cheque or money order.

Land Transfer Tax

The Municipality of the County of Richmond has a Deed Transfer Tax of 1.5%. The Deed Transfer Tax is collected on the Municipality's behalf by the Province of Nova Scotia at the Registry of Deeds.

Tax and Area Rates

The 2025-2026 Residential tax rate for the Municipality of the County of Richmond is \$0.85 per \$100 of assessment.

The Commercial tax rate for 2025-2026 is \$2.15 per \$100 of assessed value. Area rates are also added. See our website for a detailed breakdown.

Property Tax Billing and Interest Rates

The Municipality's tax bills are issued on the 1st of April and September and are due on the first working day of June and November.

All taxes not paid by the due date accrue interest at a rate of 18% per annum (1.5% per month). The Municipality sends out approximately 12,000 annual tax bills.

If you have any questions in regards to your tax bill, please contact the Tax Office at 902-226-2400 or 902-226-3976.

Did you know?

- Maple syrup season in Nova Scotia typically runs from early March to late April. Be sure to visit a maple farm this spring to learn all about the process of creating this sweet treat that Canada is known for!

- Spring doesn't begin the same time for everyone, Springtime starts differently in some parts of the world. Spring in the Northern Hemisphere occurs when it is autumn in the Southern Hemisphere.

- At the North Pole, the start of spring means that there will be 12 straight hours of uninterrupted daylight.

****Online payments can take 1-2 business days for processing, so please take this into consideration when paying your bills online.**
